**UNITED STATES PROBATION

**MEMORANDUM**

**DATE:** July 30, 2013

**TO:** Honorable David G. Larimer  
U.S. District Court Judge

**FROM:** Thomas S. Gilbert  
U.S. Probation Officer

**SUBJECT:** United States of America vs. Scott Gilbert  
Case Number: 6:04-CR-06163-1

On July 5, 2005, Scott Gilbert was sentenced to sixty (60) months incarceration to be followed by five (5) years of supervised release after pleading guilty to a violation of 18 U.S.C. § 924(c)(1), Possession of a Firearm in Furtherance of a Drug Trafficking Crime. The special conditions imposed by the Court included substance abuse testing/treatment, providing Probation with any requested financial information, and search. The Court also imposed a \$1,500 fine, and a \$100 special assessment fee.

The defendant commenced his term of supervised release on August 14, 2009, and has complied with all of the conditions of supervision including paying off his special assessment and fines in a timely manner, testing negative for all illegal substances, reporting to the probation office as directed, maintaining full time employment, and avoiding any further contact with law enforcement. Due to his compliance with these conditions, we are requesting that the Court terminate the defendant's term of supervised release early. I have spoken with Assistant U.S. Attorney Brett Puscheck who has no opposition to this request.
